

Oh I wish it were a place to rest in peace
Or that this long road had a point to cease

Oh I wish even after a hundred thousand years in the belly of the earth
There was a hope to grow back like grass with ease

Omar Khayyam

ای کاش که جای آرمیدن بودی
یا این ره دور را رسیدن بودی

کاش از پی صد هزار سال از دل خاک
چون سبزه امید بر دمیدن بودی

Translated by: A. Behrang
